The Membership Committee reminds us that Memberships are now due. Your 5 dollar individual contribution ensures the Club has seed money to begin planning our events throughout the coming months. We're hearing rumours about a Christmas party being planned for December. Please support your club by purchasing a membership today. Our regular Thursday Night Jams have resumed at the Owen Sound Royal Canadian Legion. Come out, and bring a friend. All pickers and listeners welcome. Buy a membership in support of this activity.
